OECTA/BOARD DIALOGUE

The OECTA dialogue with the Toronto Catholic District School Board (TCDSB) is ongoing with regard to the post-lockout period. Please review special FAXAGENDAS for Toronto Elementary OECTA at www.oecta.on.ca/units/torontoelementary.htm

1 Graduation of Pupils

On May 21, 2003, Regulation 209/03 amended Section 20 of Regulation 298. The regulation now provides that it is the duty of a teacher to "perform duties normally associated with the graduation of pupils".

In general, the custom and tradition of the school should be maintained.

2 Identification Placement Review Committee (IPRC)

The placement of students with GIFTED and BEHAVIOURAL identifications is a priority for the Board. The proper service delivery for these students in September requires the completion of these reviews before the end of the school year. In addition, the Board will attempt to identify and place students with Multiple Handicap and Language Impaired Identifications. All other IPRCs will likely resume in September.

3 Individual Education Plan (IEP)

The IEPs already exist for students. There is no need to complete and/or amend the IEP unless an individual student requires program changes.

4. EQAO, Report Cards, Running Records, Teacher Evaluations

Directions can be found in the June 6 Faxagenda "Board guidelines reported to OECTA" on the OECTA website www.oecta.on.ca/units/torontoelementary.htm
